

Weekend

CLASS SCHEDULE

A special feature of the Master's program at the Wright Institute is that classes meet only on weekends. Three unit classes take place over the course of two weekends. One and one-half unit classes are completed in one weekend. Half unit classes are one day classes. Classes are held 14 weekends a year.

Students are admitted as a cohort, and they complete the program as a group. The maximum cohort size is 20 students.

The following is a sample class schedule for the weekend intensives.
